We pass by these aging structures every day thinking of them as only part of our surroundings – but now – they are only memories.

Although injuries seemed to be the name of the game this season, the unsinkable Rams Hockey Team reached the Division Three Playoffs. In the first round of the playoff action, the Rams defeated Westfield State. In an exciting sudden death overtime, the Rams finally succumbed to Worcester State in the second round of the playoffs. The outstanding efforts of the senior members of the team, "Haugie," "Al," and "Hound" will be missed by "Tanner's Terrors" next year.

The season provided the team with a chance to grow in experience and unity so that next year promises to be successful for the Ramettes.

The seasoned Ramettes successfully ended their season with a record of 8 and 6. Awards this year went to Janet Yerardi for Unsung Hero and Julie Nau for Most Valuable Player. The last game of the season was played against Wheaton College, the Ramettes winning it, 6-0. In this game, the girls played outstandingly, with no errors and everyone playing together and hitting well. This game promises to be an indication of the softball team next year as well.

CHRISTMAS CONCERT

As always, the Framingham State Chorus gave a wonderful concert for all those who attended. Directed by Mr. Savas, the chorus sang songs of joy and Christmas carols to welcome in the holiday season. Outside, the swirling snow added to the festive atmosphere.

THE 1977 DIAL YEARBOOK'S DEDICATION

PRESENTED TO

*Dr. Joseph
J. Previte*

He is as dedicated to his students as he is to his fellow faculty members. He has fought for the betterment of higher education at Framingham State College and has helped us to maintain the standards of education we are proud of. Loyalty, determination and the will to fight for what he believes in are just a few words to describe this nominee.

It is with great pleasure that the 1977 DIAL dedicates this year's book to Dr. Joseph J. Previte.

Congratulations for a
job well appreciated by
many at F.S.C.

THIS IS AN EXPRESS

Students are protesting. Faculty members are complaining and the administration is biting its fingernails.

A well attended rally, Monday, April 4th, started a campaign to support the faculty in their efforts to obtain a pay raise which would keep them in line with the rise in cost of living. Framingham State students and faculty members made the 20-mile trek to the great statehouse halls to plead their case — to no avail. On April 6th and 7th the students decided to walk out of classes and protest level funding. It appears as though F.S.C. will have to pull its belt in another notch if level funding continues!

DAY HOLLY JOLLY HOLIDAY HO

LY JOLLY HOLIDAY HOLLY JOLI

On a cold winter night, four hundred couples met at the Pleasant Valley Country Club in Sutton and celebrated the Christmas holiday. Santa and his elf made an effort to stop at every table, while others enjoyed the good food and drink. This was the second annual Christmas Cotillion hosted by the Junior Class. Those who attended have fond (?) memories of that chilly night with the crowded dance floor, sequinned singer, and the Mass Pike traffic backed up. It was a great way to end the semester and see in the new year.

After weeks of rehearsal, 4 days of performances, the play is over. The student actors return to the every day business of sociology, English, exams and term papers.

The show was Godspell, the rock version of the gospel according to Saint Matthew. There was an unusual physical closeness between the performers and the audience which was amazingly effective. The whole cast and crew was admired for their talent and for casting a spell over the audience powerful enough to put on an added performance!

For the second time, the seniors, faculty, and administration donned their caps and gowns to partake in the Awards Assembly. The food service: an alternative to eating — This year the food service has seen a few changes, a number of improvements and some nice touches, relieving the boredom of the familiar cafeteria. No one can deny that the cafe is always there to fill an empty stomach, socialize with friends and otherwise waste time that could be used for studying.

When the doors to the Copley Plaza Ballroom opened on May 28, the stampede of 225 couples swarmed down the stairs to find their places for the evening's festivities. Of course, cocktails were first, then the delicious dinner. Later, would come the boogy-woogy! Who said there was not going to be enough tickets?

THE NIGHT BEFORE ...

This evening was planned to be the grand finale to the Senior Week Activities and it certainly proved to be a huge success! But who was responsible for this? The Class of 1977 would like to thank Anita Varner and Sue Norris and their Senior Week Committee for all the time and effort they put out to make our last memories of F.S.C. the best. Of course, we can not forget our class officers and their efforts. These people all deserved the round of applause they received here at the Copley Plaza tonight.
